City of Marysville Industrial District

The City of Marysville Industrial District consists of approximately 350 acres of privately owned industrial land. The district is one mile from I-94, and four miles from I-69. Ideally located for same day deliveries to all of Southeast Michigan, many sites have rail and petrochemical access as well as water and sewer utilities. Vacant parcels range in size from a few acres to more than 40 acres in size. Major industries within the district include: DaimlerChrysler Corporation; Sarnamotive Blue Water, Inc.; Schefenacker Vision Systems.

driving directions

Exit Interstate 94 at Gratiot Road, Marysville (Exit #266) and proceed East. At traffic light, Range Road, turn right and continue South to Cuttle Road. At Cuttle Road turn East for approximately one mile to Busha Highway (M-29).
