City of St. Clair Industrial Park

The new City of St. Clair Industrial Park adjoins the Christian B. Haas Industrial Park in St. Clair, Michigan. The park is located within easy access to Interstates 94, 69 and the Metropolitan Detroit area. This park is planned to attract high-quality, light industrial users with deed restrictions and landscaping requirements. Lots ranging from 2.5 to 40 acres offer rail access, utilities in place and are aggressively priced to attract development.

driving directions

Exit Interstate 94 at Gratiot Road, Marysville (Exit #266) and proceed East. At traffic light, Range Road, turn right and continue South about 4 miles. From I-69, take I-94 West to Gratiot Rd. (Exit #266). The City of St. Clair Industrial Park is situated on the East side of Range Road between Davis and Yankee Roads.
